

# Safety Data Sheet

according to Regulation (EC) No 1907/2006 (REACH)

Trade name: Lactoskin SP  
Version: 1.1 / EN

Print date: 2020-10-26

Product No: LAC\_SP

Page 1 of 6

## Section 1. Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier: Lactoskin SP

Substance name: Lactoskin SP  
CAS No.: N/A  
Index No.: N/A  
EC No.: N/A  
REACH No.: N/A

1.2. Relevant identified uses of the substance or mixture and uses advised against:  
No further information available.

1.3 Details of the supplier of the safety data sheet:

Supplier: Intiki  
Sharrow Estate,  
Richmond  
3780  
South Africa  
+27332123506  
info@intiki.co.za

1.4 EMERGENCY TELEPHONE NUMBER: +27332123506.

## Section 2. Hazards Identification

2.1. Classification of the substance or mixture:  
Not classified according to CLP regulation.

2.2 Label elements:

Labelling according to Regulation (EC) No 1272/2008 [CLP/GHS]

Hazard pictograms: None.  
Signal word: None.  
Hazard statements: None.  
Precautionary statements: P301+P330. IF SWALLOWED: Rinse mouth.

## Section 3. Composition/information on ingredients

3.2 Chemical characterisation: Mixtures.

Description of the mixture: Tyndalized *Lactobacillus*, Alpha-glucan oligosaccharide, *Polymnia sonchifolia* root powder and inulin.

# Safety Data Sheet

according to Regulation (EC) No 1907/2006 (REACH)

Trade name: Lactoskin SP  
Version: 1.1 / EN

Print date: 2020-10-26

Product No: LAC\_SP

Page 2 of 6

Dangerous components: None.

## Section 4: First aid measures

### 4.1 Description of first aid measures.

|                         |                                     |
|-------------------------|-------------------------------------|
| General information:    | No special measures required.       |
| Following skin contact: | Product not a skin irritant.        |
| Following eye contact:  | Rinse with water.                   |
| Following ingestion:    | If symptoms persist consult doctor. |

### 4.2 Most important symptoms and effects, both acute and delayed: No further information available.

### 4.3 Indication of any immediate medical attention and special treatment needed: No further information available.

## Section 5: Firefighting measures

5.1 Extinguishing media: CO<sub>2</sub>, powder and water spray.

5.2 Special hazards arising from the substance or mixture:  
No further information available.

5.3 Advice for fire-fighters: No special measures required.

## Section 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures:  
No special measures required.

6.2 Environmental precautions: No special measures required.

6.3 Methods and material for containment and cleaning up:  
Absorb with liquid binding material.

6.4 Reference to other sections:  
Section 7 for information on safe handling.  
Section 8 for information on personal protection equipment.  
Section 13 for disposal information.

## Section 7: Handling and storage

7.1 Precautions for safe handling: Hygroscopic, only expose to air for brief periods.

# Safety Data Sheet

according to Regulation (EC) No 1907/2006 (REACH)

Trade name: Lactoskin SP  
Version: 1.1 / EN

Product No: LAC\_SP  
Print date: 2020-10-26

Page 3 of 6

- 7.2 Conditions for safe storage, including any incompatibilities: Sealed container.  
 Technical measures and storage conditions: Keep product sealed in a cool place.  
 Requirements for storage rooms and vessels: None required.  
 Further information on storage conditions: Protect from heat and direct sunlight.
- 7.3 Specific end uses: No further information available.

## Section 8: Exposure controls/personal protection

- 8.1 Control parameters: The product has no ingredients that require monitoring.
- 8.2 Exposure controls:
- 8.2.1 Appropriate engineering controls: No special measures required.
- 8.2.2 Personal protective equipment: Eye / Face protection: Suitable eye protection.  
 Skin protection: Not required.  
 Hand protection: Use protective glove.  
 Body protection: Not required.  
 Respiratory protection: Not required.

## Section 9. Physical and chemical properties

- 9.1 Information on basic physical and chemical properties

|  |                     |
|--|---------------------|
| Appearance                                   |                     |
| Form   | Powder              |
| Colour                                       | Beige               |
| Odour  | None                |
| Odour threshold                              | N/A                 |
| pH   | Not determined      |
| Melting point/freezing point                 | Not determined      |
| Initial boiling point/boiling range          | Not determined      |
| Flash point                                  | N/A                 |
| Evaporation rate                             | Not determined      |
| Flammability (solid, gas)                    | Not determined      |
| Upper/lower flammability or explosive limits |                     |
| Upper explosive limits                       | Not determined      |
| Lower explosive limits                       | Not determined      |
| Vapour pressure                              | Not determined      |
| Vapour density                               | Not determined      |
| Relative density                             | Not determined      |
| Solubility(ies)                              | Water               |
| Partition coefficient:<br>n-octanol/water    | Not determined      |
| Auto-ignition temperature                    | Not determined      |
| Decomposition temperature                    | 80 °C for > 48 hrs. |
| Viscosity                                    |                     |
| Viscosity, dynamic (1 % m/m (aq))            | Not determined      |

# Safety Data Sheet

|                      |                |
|----------------------|----------------|
| Viscosity, cinematic | Not determined |
| Explosive properties | Not determined |
| Oxidising properties | Not determined |

9.2 Other information: No further information available.

## Section 10: Stability and reactivity

- 10.1 Reactivity: No known reactions.
- 10.2 Chemical stability: Stable when stored under correct conditions. See section 7.
- 10.3 Possibility of hazardous reactions: No dangerous reactions known.
- 10.4 Conditions to avoid: Temperatures > 80 °C for prolonged periods.
- 10.5 Incompatible materials: No further information available.
- 10.6 Hazardous decomposition products: No dangerous decomposition products known.

## Section 11: Toxicological information

- 11.1 Information on toxicological effects:
- 11.1.1 Substances: No further information available.
- Acute toxicity: No further information available.

# Safety Data Sheet

according to Regulation (EC) No 1907/2006 (REACH)

Animal data: No further information available.

Skin corrosion/irritation: No further information available.

Eye damage/irritants: No further information available.

Skin sensitization: No further information available.

Repeated dose toxicity : No further information available.

## Section 12: Ecological information

12.1 Toxicity:  
Aquatic toxicity: No further information available.

12.2 Persistence and degradability: No further information available.

12.3 Bioaccumulative potential: No further information available.

12.4 Mobility in soil: No further information available.

12.5 Results of PBT and vPvB assessment: No further information available.

12.6 Other adverse effects: No further information available.

## Section 13: Disposal considerations

13.1 Waste treatment methods:

Recommendation smaller quantities can be disposed with household waste. Packaging may be reused or recycled after cleaning.

## Section 14: Transport information

|                                 | Land transport (ADR/RID) | Inland waterway transport (ADN) | Sea transport (IMDG) | Air transport (ICAO-TI / IATA-DGR) | Remark |
|---------------------------------|--------------------------|---------------------------------|----------------------|------------------------------------|--------|
| 14.1 UN No.                     |                          |                                 |                      |                                    | None   |
| 14.2 UN Proper shipping name    |                          |                                 |                      |                                    | None   |
| 14.3 Transport hazard class(es) |                          |                                 |                      |                                    | None   |
| Hazard label(s)                 |                          |                                 |                      |                                    | None   |
| 14.4 Packing group              |                          |                                 |                      |                                    | None   |
| 14.5 Environmental hazards      |                          |                                 |                      |                                    | No     |

14.6 Special precautions for user: Not applicable.

14.7 Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code: Not applicable.

## Section 15: Regulatory information

15.2 Chemical Safety Assessment:

*For this substance a chemical safety assessment is not required.*

## Section 16: Other information

*The data are based on the current state of our knowledge, and are intended to describe the product with regard to the requirements of safety. The data should not be taken to imply any guarantee of a particular or general specification. It is the responsibility of the user of the product to ensure to his satisfaction that the product is suitable for the intended purpose and method to use. We do not accept responsibility for any harm caused by the use of this information. Furthermore nothing contained herein shall be construed as a recommendation to use any product in conflict with existing patents covering any material or its use. In all cases, our general conditions of sale apply.*

### **Abbreviations and acronyms:**

*ADR: Accord européen sur le transport des marchandises dangereuses par Route (European Agreement concerning the International Carriage of Dangerous Goods by Road).*

*IMDG: International Maritime Code for Dangerous Goods.*

*IATA: International Air Transport Association.*

*GHS: Globally Harmonized System of Classification and Labelling of Chemicals.*

*EINECS: European Inventory of Existing Commercial Chemical Substances.*

*ELINCS: European List of Notified Chemical Substances.*

*CAS: Chemical Abstracts Service (division of the American Chemical Society).*

*LC50: Lethal concentration, 50 percent.*

*LD50: Lethal dose, 50 percent.*
